Donald E. Hudson Chamber Music Fund  
Richards Instrumental Music Fund

Today’s concert is sponsored by Caltech’s Office of Student Affairs, the Friends of Caltech Instrumental Music, and the Donald E. Hudson Chamber Music Fund. Dr. Richard Hudson established the fund in February of 2001 in memory of his brother and fellow Caltech alumnus, Donald. A lifelong lover of chamber music, Donald Hudson served as Professor of Mechanical Engineering at Caltech. Donald E. Hudson Visiting Artists Jill Box (bassoon), and Sharon Harman (violin) have been an integral part of Caltech’s student chamber music program this term as coaches of several student ensembles.

We also wish to acknowledge the generous assistance of the Richards Instrumental Music Fund which supports private lessons for Caltech students.

Caltech’s Student Chamber Music Program was established in 1979, with Delores Bing as its founding director. Along with the other instrumental and vocal ensembles sponsored by the office of the Vice President for Student Affairs, the chamber music program has given hundreds of Caltech students the opportunity to study and perform great music as a means of cultural enrichment and much needed stress relief.
